CORPORATE SUSTAINABILITY ADVISORS

AYMAN CHOWDHURY, MScSM (Class of 2017), BBA (Finance)

Sustainability Assistant at UN Global Compact Network Canada
Corporate Sustainability Consultant at B.Accountability

ABOUT THE GLOBAL COMPACT NETWORK CANADA (GCNC)

The GCNC is the Canadian Chapter of the United Nations Global Compact (UNGC), dedicated to assisting over 150 Canadian organizations advancement of the 17 Sustainable Development Goals (SDGs) and the 10 Principles of the UNGC.

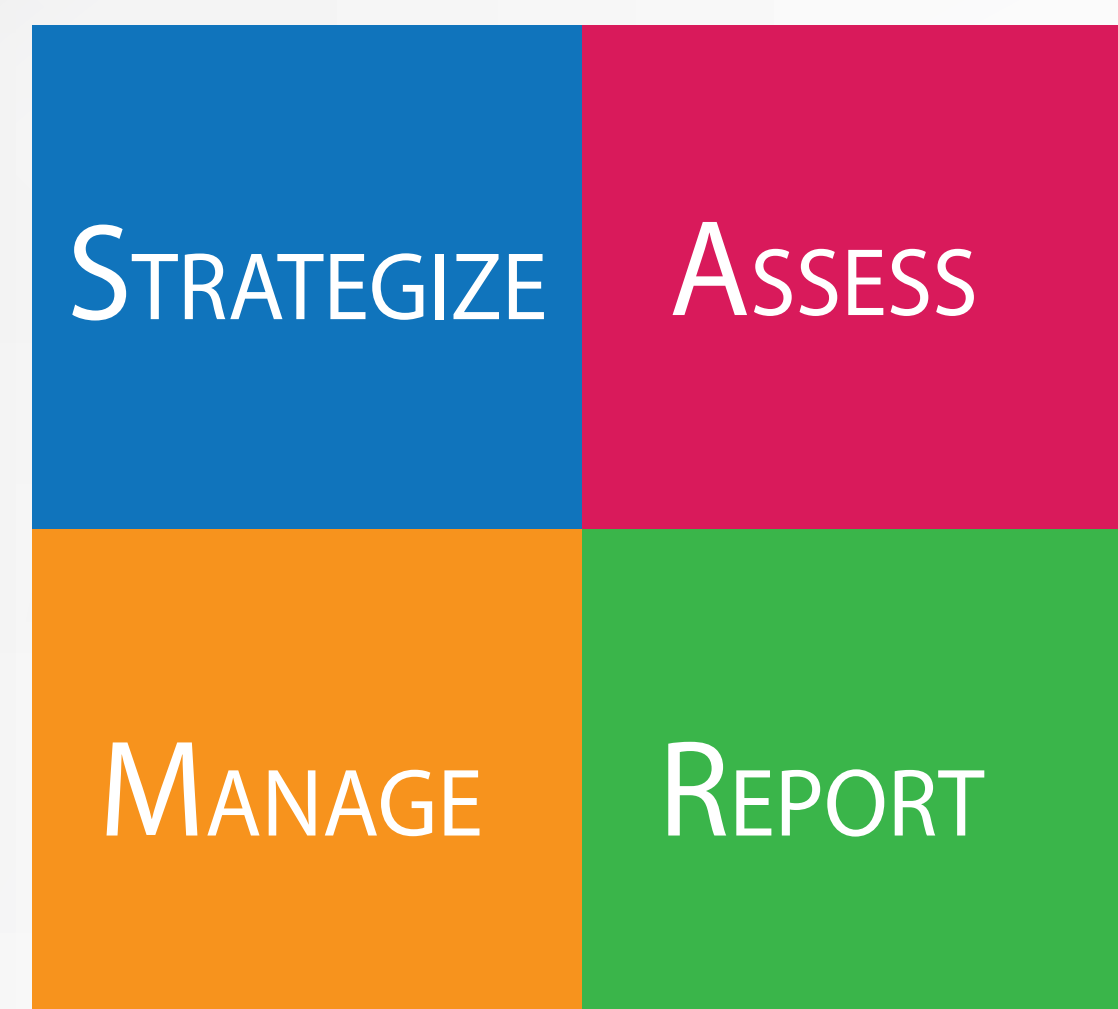

"The GCNC strives to bring together leaders across multiple industries and sectors, including governments and non-governmental organizations; and build the capacity of the Canadian private sector to embrace sustainable business practices."

- Helle Bank Jorgensen, President, GCNC

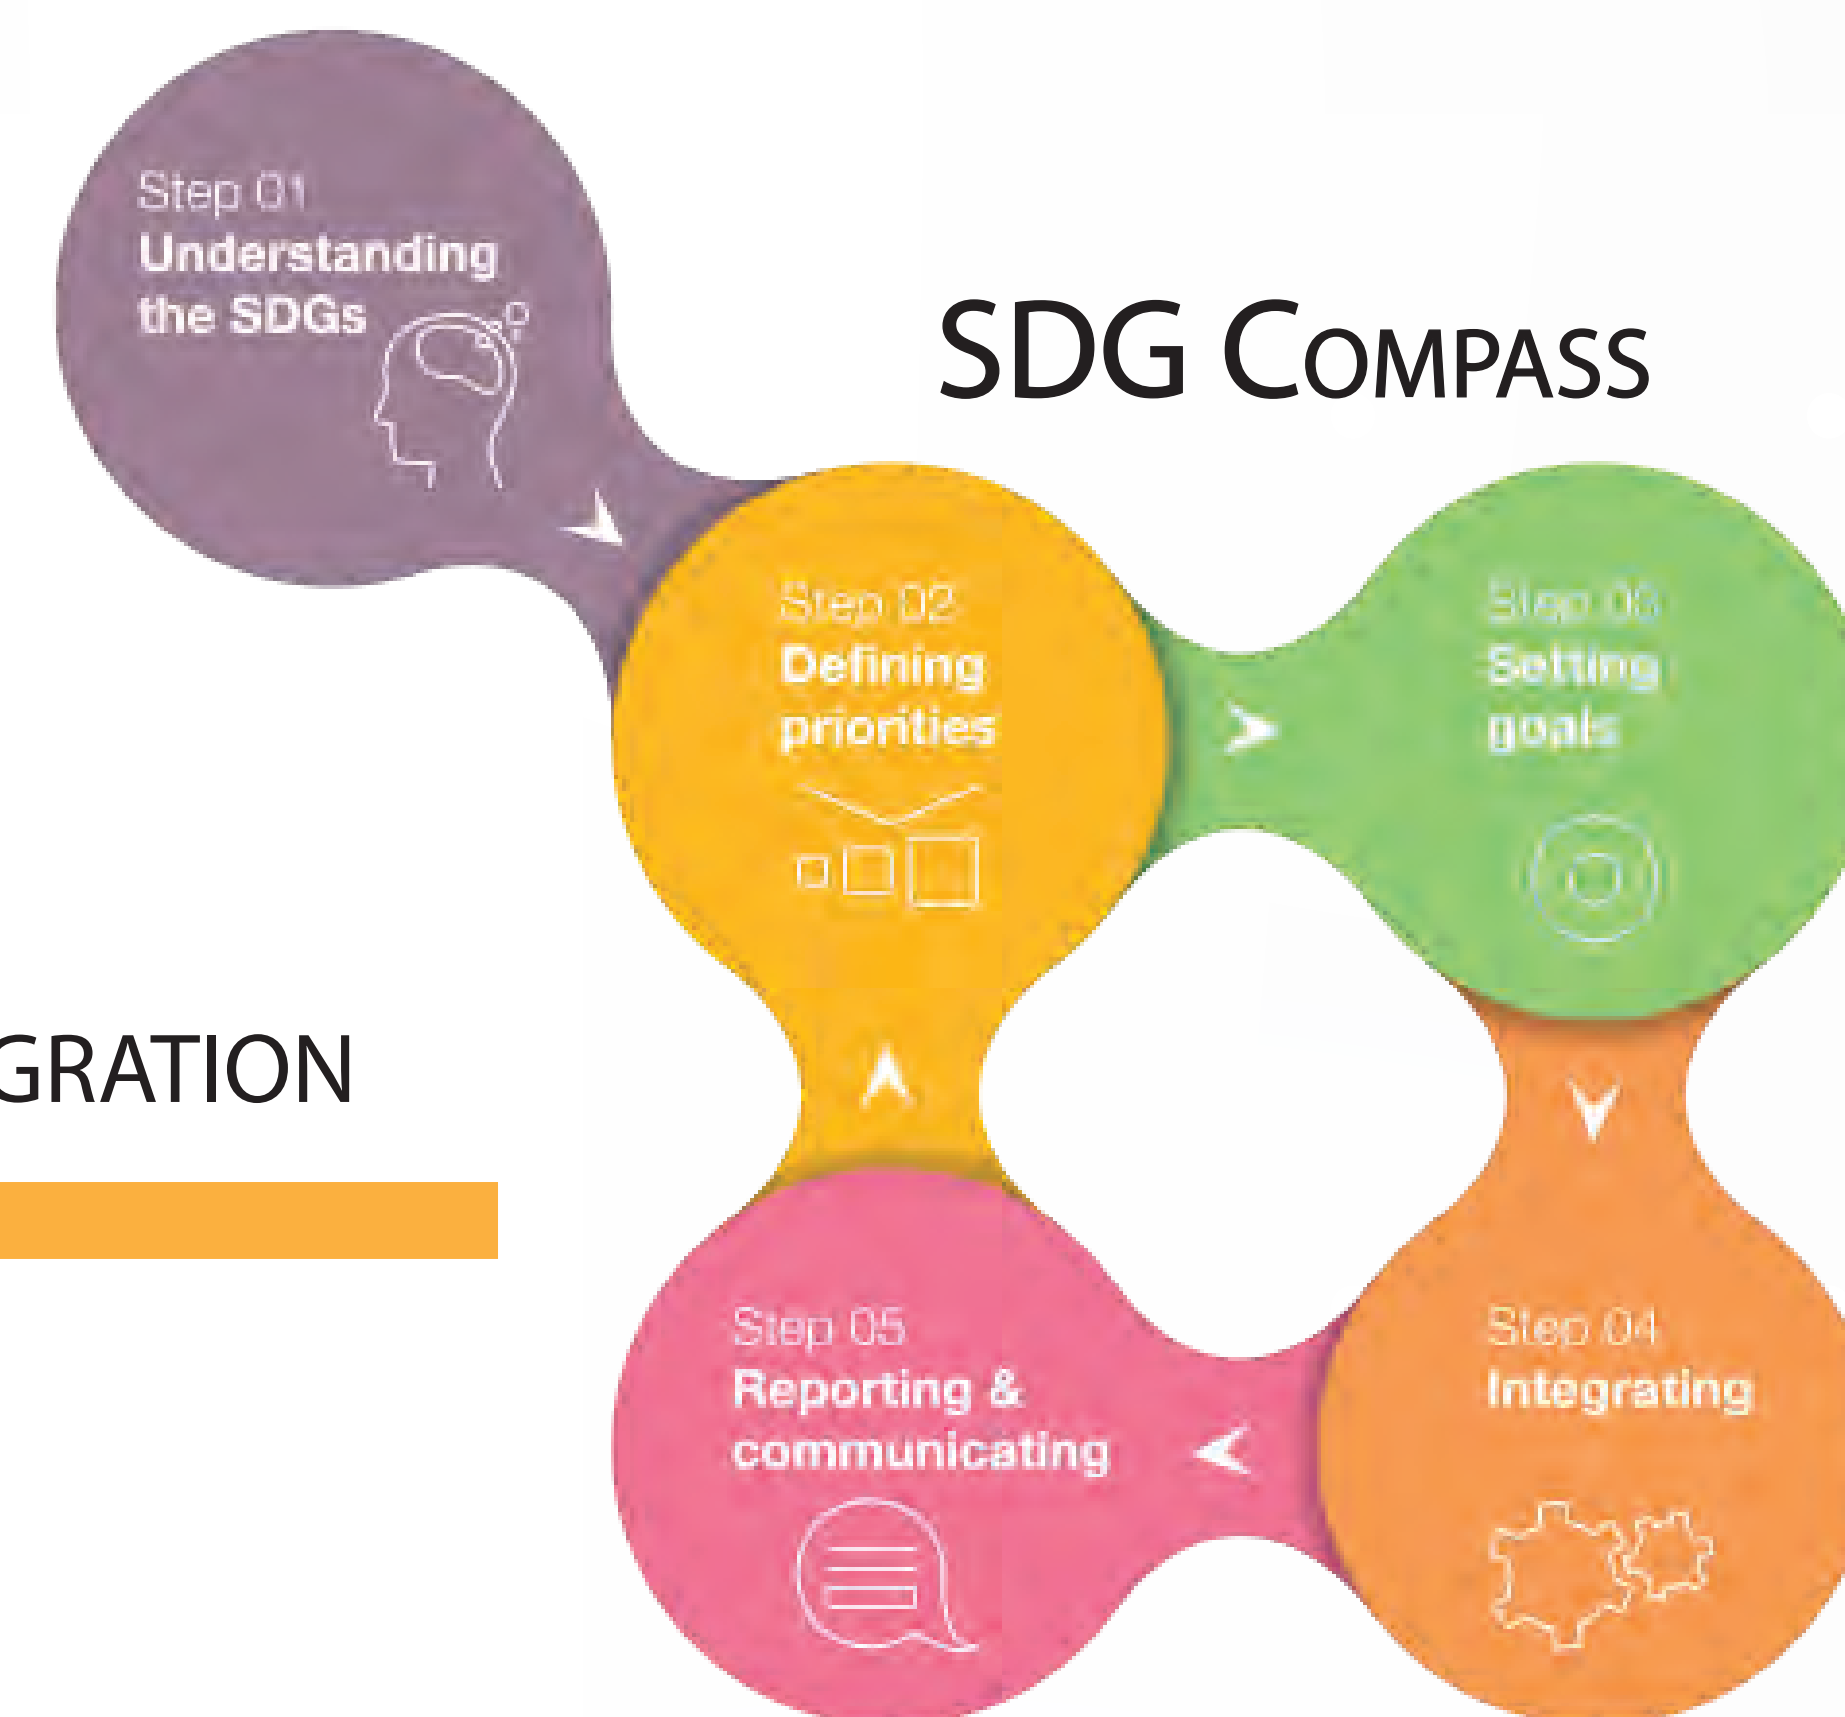

ABOUT THE B.ACCOUNTABILITY

A certified women owned enterprise to provide Sustainable Enterprise Solutions™ to companies for integrating sustainability into strategy, operations, supply chain and reporting.

SDGs INTEGRATION

Prepared for: Institute for Management & Innovation
UNIVERSITY OF TORONTO
MISSISSAUGA

MScSM
Master of Science in Sustainability Management UofT

HIGHLIGHTS OF MY INTERNSHIP

Drafted the preparation of **GCNC's consultation response to the Global Affairs Canada** for updating the strategies for Canada's International Assistance Programme

Drafted the madate letter and ToR for the GCNC's newly formed Working Group, **"SDGs – Advancing the 2030 Agenda through Business Operations"**

Supported as the key team member for organizing **GCNC's 1st SDGs Awards Programme** at the TMX Gallery

Analyzed the **board diversity** for one of the leading firms in the Airlines industry in Canada and drafted a responsive proposal using the models of **UNGC Board Programme**

Analyzed the performance and methodology of leading **ESG research firms** for recommending the best engagement solution to one of the top-tier firms in the sustainable agriculture industry

Supported in arranging several webinar sessions including a **panel discussion webinar with the Hon'ble Catherine McKenna, Minister of Environment and Climate Change**

Prepared the five sessions training module for GCNC's upcoming event, **"Telling Your ESG Story to Investors"**. The training will be provided in partnership with the Toronto Stock Exchange

Playing the lead role to conduct the **GCNC's 2nd Annual SDGs Survey** in Canada

My SDG Focus

My Blogpost:

SDG-5: Why Canadian businesses should shift gear towards Gender Equality

NEW TOOLS LEARNING:

Datamaran™, Caspian™, SDG Compass®, UNGC Board Programme®
